## Behind the Iron Forest

A collaboration between **Brendan Duggan, Conel O'Regan and Bonnie Bews**. The show is an exploration of how the artists interpret the landscape as it pertains to their personal Muskoka landscape experience. Themes of mysticism, natural phenomenon and spiritualism will be explored. The work will include 2D and 3D collaborations as well as individual pieces.

**Guest: Bonnie Bews – painting**  
Hinterglass painting in soft delicate lines, bold brushstrokes and vibrant colours.  
[bonniebews.com](http://bonniebews.com)

**Guest: Conel O'Regan – artisan furniture**  
Unique and original hand-crafted furniture which keep the natural aspects of the forest alive in each design.  
[happenstancedesign.com](http://happenstancedesign.com)

**Guest: Brendan Duggan – metal art**  
Whimsical and functional metal sculptures explore the Muskoka landscape experience.
