artistsofthelimberlost.ca

1 Walker Lake Resort

Guest: Cirvan Hamilton – fine furniture
Beautiful intricate pieces of fine furniture often adorned with exotic inlays.
stonetreestudio.ca

Guest: Elise Muller – stone sculpture
Figurative and abstract stone sculptures that range from very small to monumental.
stonetreestudio.ca

2 Catherine O'Mara egg tempera painting

Egg tempera imparts a luminosity and subtle satin luster unlike any other medium.
omarastudio.com

Guest: Susan Colavecchia – pottery
Handmade functional pottery with a sculptural feel, combining ancient and modern techniques.
s_colavecchia@hotmail.com

Guest: Carol Nasvytis – metal art
Creations of metal panels, sculptures, decor, and gifts for your garden and home.
soulmetal.ca

Guest: Susan Higgins – kiln fired glass
Abstract and impressionistic imagery rooted in nature, enlivened by light. Functional and art pieces.

Family Place
RESTAURANT & PIZZA

3 Mark Kulas painting

Works of bold colours and a stylistic, original approach create cheerful art indicative of Muskoka.
markkulas.ca

Guest: Stephanie Park – pottery
Handcrafted pottery that celebrates the natural world - perfect for kitchen and home.
sparkpottery.ca

4 Brian Markham woodturning

Bark-covered burls and slabs of wood are transformed into dramatic bowls, platters and live-edge furniture.
limberlostwoodturning.com

Guest: Carol-Ann Michaelson – painting
Oil paint is combined with cold wax medium and applied using knives, squeegees and brayers. Texture and luminosity are essential to the work.
carolannmichaelson.com

Guest: Pam Carnochan – wool art
Pam's creative process begins with her resident sheep and she prepares the wool to make vibrant, northern landscapes.
morganhousewoolworks.ca

5 Billie Bear Lodge

Guest: Barb TenEycke – painting
Canadian landscapes with rushing water and forests that are infused with ethereal light, depth and a sense of hope.
barbtenecke.com

Guest: Craig Henshaw – knifemaking
Damascus knives with hundreds of layers of steel which are heated and forge welded in a 2000 year old traditional process.
henshawblades.com

Guest: Juliana Plukasz – jewellery
Handmade sterling silver and natural gemstone jewellery highlighting earthy materials & scenes.
julianapaigjewellery.com

6 Jerry Friedman driftwood sculpture

Nature's forms spark the imagination as driftwood is transformed into impressionistic sculptural art.
jerryfriedman@rogers.com

Guest: Col Mitchel – paper art
Paper textures and intricately layered lines of colour create magical impressions of nature and wildlife.
colmitchell.com

Guest: Mary-Ruth Newell – pottery & metal art
Wood-fired stoneware in a wide variety of original forms alongside hand-hammered artisanal blacksmith work and garden art.
mrnewell@live.com

7 Oxbow Lodge

Guest: Terri Howell – painting
Terri Howell paints Muskoka landscapes in oils. She loves to paint shoreline vistas as a way of preserving the memories of cottage country.
terrihowellart.com

Guest: Karen Gray – pottery & wood block carving
Functional pottery and Wood Block Carvings inspired by life on the Canadian Shield.
thepottersstudio.com

Guest: Bonnie Bews – painting
Hinterglass painting in soft delicate lines, bold brushstrokes and vibrant colours.
bonniebews.com

Guest: Conel O'Regan – artisan furniture
Unique and original hand-crafted furniture which keep the natural aspects of the forest alive in each design.
